XXXV. And it is hereby enacted, that it shall be competent to the Court of Foujdaree Udalut on a review of the Abstract Statements of Prisoners punished without reference, to mitigate the sentence passed on any prisoner when such sentence may appear on the Session Judge's own shewing of the facts, manifestly illegal or too severe, and it shall not be necessary for the Court to call for the proceedings in such cases, unless they shall see special reasons for so doing. It shall further be competent to the Court in like manner to annul the sentence passed in any case when such sentence may be in opposition to any Law or Regulation in force, and to require the Session Judge to pass a new sentence according to Law.

XXXVI. And it is hereby enacted, in modification of Section II. Regulation III. 1833, that the authority to over-rule judgments passed by Sudder Ameens in Criminal cases shall be vested in the Session Judges.

XXXVII. And it is hereby enacted, that Section XXIV. Regulation X. 1816, Clauses 2 and 3, Section IV. Regulation II. 1822, Clause 2, Section V., and Clauses 2 and 4, Section VIII. Regulation VI. 1827, shall be applicable to Session Judges instead of Judges of Circuit.

XXXIX. First.—And it is hereby enacted, in modification of Section III. Second.—Provided, that the Session Judge shall furnish a copy of his Report upon the case to the Magistrate, and the Foujdaree Udalut shall not pass a final order upon it until the answer of the Magistrate, which shall be addressed to that Court, has been received and considered.

XL. And it is hereby enacted, that it shall be the duty of the Sessions Judge to bring to the notice of the Magistrate any minor neglects, or omissions, or transgressions, of the Subordinate Officers of Police which have come under his own observations, or have been reported to him by a Subordinate Judge, or Principal Sudder Ameen, and such notifications shall be recorded in the periodical returns to the Fouj large Udalut.

XLI. And it is hereby enacted, that it shall be competent to the Session Judge to report to the Foujdaree Udalut any neglect or delay on the part of the Magistrate, or the Subordinate Officers of the Magistracy, by which the course of justice has been seriously impeded in cases before himself, or which have been reported to him by a Subordinate Judge, or Principal Sudder Ameen.

XI.II. And it is hereby enacted, that it shall be competent to the Session Judges, Subordinate Judges, and Principal Sudder Ameens, to communicate directly with the District Officers of Police for the purpose of obtaining all the evidence that appears to be forthcoming in cases in which prisoners have been forwarded by them charged with crimes and misdemeanors, Section LV. Regulation XI. 1816 notwithstanding.

XLIV. And it is hereby enacted, that in any Zillah, in which the Governor in Council of Fort St. George deems it expedient to establish the Zillah Court, and the Court or Courts under Subordinate Judges, or Principal Sudder Ameens, at separate stations, it shall be competent to the said Governor in Council, by an Order in Council, to authorize the Session Judge to take cognizance of all Criminal cases subject ordinarily to the jurisdiction of the Subordinate Courts, as well as cases subject to his own jurisdiction, which shall be sent to him by the Magistrate or Officers of Police of such Talooks as shall be therein indicated, and to dispose of such cases according to the rules applicable to them respectively.

XLV. And it is hereby enacted, that in any Zillah in which the Governor in Council of Fort St. George deems it unnecessary to establish a Subordinate Civil and Criminal Court, constituted according to Regulations I. and II. or Regulations VII. and VIII. 1827, it shall be competent to the said Governor in Council, by an Order in Council, to authorize the Civil and Session Judge to exercise the Civil and Criminal Jurisdiction assigned to such Courts, besides the proper Civil and Criminal jurisdiction of the Zillah Court, and to take cognizance immediately of Criminal cases, within his proper jurisdiction as Session Judge, as they are sent up by the Police and Magistracy.

MI.VI. And it is hereby enacted, that when the said Governor in Council deems it proper to establish in any such Zillah a Court under a Sudder Ameen at a detached station, it shall be competent to the Governor in Council to authorise the Sudder Ameen to receive and dispose of Civil Suits arising in the portion of the Zillah over which jurisdiction shall be assigned to him, without the intervention of the Zillah Judge, under the limitation as to amount or value prescribed by the existing Regulations: and also to receive and dispose of Criminal cases sent to him by the Police and Magistracy of the division subject to his jurisdiction, for which the punishment prescribed shall not exceed the limitation specified in Section VII. Regulation X. of 1816.

XLVII. And it is hereby enacted, that whenever the Governor in Council of Fort St. George shall establish a Court under a European Principal Sudder Ameen at Cochin, such Principal Sudder Ameen shall exercise within the jurisdiction assigned to him all the powers of a Criminal Court constituted according to Regulation II. of 1827, and also all the powers of a Joint Magistrate.

XLVIII. And it is hereby enacted, that when the Subordinate Criminal Court at the Station of a Zillah Court is constituted according to Regulation VIII. of 1827, the Zillah Jail shall be under the charge of the Session Judge.

XLIX. And it is hereby enacted, that when the Subordinate Criminal Court at the Station of the Zillah Court is constituted according to Regulation II. of 1827, the Zillah Jail shall be under the charge of the Judge of the Subordinate Criminal Court, and the Session Judge shall be vested with authority to visit the Jail, and to pass orders according to Section XXXII. Regulation VII. of 1802, and Section VII. Regulation X. 1832.

L. And it is hereby enacted, that the Subordinate Officers and Vakeels, who shall be appointed to the Zillah Courts established under this Act, shall be subject to the same rules as are applicable to the Subordinate Officers and Vakeels of the Provincial Courts of Appeal.

LI. And it is hereby enacted, that the Governor in Council of Fort St. George shall direct what Law Officers shall be appointed to the Zillah Courts established under this Act, and shall order the manner of their appointment, and such Officers shall be subject to the same rules as the Law Officers of the Provincial Courts of Appeal.

LII. And it is hereby enacted, that the Governor in Council of Fort St. George may appoint an Assistant Judge to any Zillah Court, to whom the Judge shall have authority to refer any Appeals which may be depending before him, excepting appeals from the Subordinate Courts constituted according to Regulation I. or Regulation VII. of 1827, and such Assistant Judge shall be empowered to try and dispose of cases so referred to him under the rules applicable to the Judge.

LIII. And it is hereby enacted, that it shall be lawful for the Governor General in Council, by an Order in Council, to authorize the Governor in Council of Fort St. George at any time to change the Stations of Zillah Courts and the limits of their local jurisdiction, and to abolish any of the Zillah Courts which shall be first established under this Act, and to establish new Zillah Courts in any parts of the Presidency of Fort Saint George.

LIV. First.—And whereas it is deemed expedient to extend the powers vested in Magistrates by Regulation IX. of 1816.

It is hereby enacted, that the Magistrates be authorized to exercise the powers vested in Criminal Judges by Section VII. Regulation X. of 1816, concurrently with the Subordinate Criminal Courts.

Second.—Provided that in all cases in which Magistrates shall exercise the additional powers hereby vested in them, the form of procedure shall be the same as is required to be observed in the Subordinate Criminal Courts in similar cases, and the same record shall be kept of the trial.

LV. And it is hereby enacted, that in every case in which a Magistrate shall exercise such additional powers an Appeal from his sentence or order may be preferred to the Session Judge within one month, and it shall be competent to the Session Judge upon such an Appeal to annul or alter the sentence or order, provided that he shall not increase the punishment awarded by the Magistrate.

LVI. And it is hereby enacted, that all criminal cases which may be depending at the time of the abolition of the Zillah and Provincial Courts, shall be disposed of by the Courts acquiring jurisdiction over the same in virtue of this Act:—provided, however, that prisoners who may have been committed for trial by the Session Judge in his former Office of Criminal Judge, or Joint Criminal Judge, and who may object to be tried by that Officer, shall be tried by the Session Judge of another Court, or by the Special Commissioner of the Division, or by an Officer specially appointed by Government.

Gent } SIR,

The Hon'ble the Deputy Concernor of Bengal having observed from the Restire for the past month, that notwithstanding the unrestricted authority given for the Embarkation of the Wives

of Emigrants, the actual number of Women efnbarked still bears a proportion to the men of only 15 per cent, and this proportion being much smaller than that contemplated by Government, I am directed to observe that unless an improvement takes place, His Honor will be obliged to have recourse to some stringent measure, which shall compel those who are engaged in inducing Emigrants to embark to prefer such as are prepared to take their Wives will them.

2d Previously, however, to taking any decisive steps in this matter, the Hon'ble the Deputy Governor directs that you will make the views and intentions of the Government on this point known to the several Agents, and His Honor will in the mean time carefully observe the results from your Monthly Reports.

FORT WILLIAM, & FINANCIAL DEPARTMENT, 17TH MAY, 1843.

The Hon'ble the President in Council, with the concurrence of the Right Hon'ble the Governor General, has revised the Rules published on 29th January 1840, for the grant of leave of absence, and for regulating deductions from Salaries, and Deputation Allowances. The following Rules will have effect from this date for regulating Deputation Allowances, and the terms on which leave of absence will be given to places situated within the limits of the respective Presidencies, to which the Applicants are attached.

Sec. VI. (Amended.) Civil Servants absent from their Stations under Medical Certificate, within the limits of their respective Presidencies, shall be entitled to the Salaries of their Offices for the period of two years, subject to a deduction of jd for the whole term of such absence, save and excepted that for the first year, if the Salary be not more than 500 Rupees per mensem, no deduction shall be made, and if it be

only so much more than 500 Rupees that the prescribed deduction of 3d would reduce the allowance below that sum, only the excess beyond Rs. 500 shall be deducted, but for the second year, the full deduction shall be in force. An absent Servant, whether Civil or Military, shall in no case retain any Civil Office or employment, nor be permitted to draw any portion of official Salary for a longer period than two years, but a Civil Servant who may," on account of sickness duly certified, obtain an extension of leave beyond two years shall, if his period of actual residence he less than 12 years, be allowed to draw the second rate of subsistence allowance, and if the period of such actual residence be 12 years, the highest rate of subsistence allowance, but if he continue absent in disobedience of an order to return, or without sufficient cause shewn, that allowance also shall be forfeited The period of absence shall be computed from the date of his quitting his Station to the date of his return thereto.

Sec. XI. (Amended). The Government of each Presidency may grant to Civil or Military Servants holding Civil appointments leave of absence for one month in each year without deduction from the Salaries and Emoluments drawn by such Servants. Such leave however will only be granted when the Government is satisfied that no inconvenience or expense will arise from the departure of the Officer seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave.

Sec. XII. (Amended.) The Government of each Presidency may, on sufficient cause being shewn, grant to a Civil or Military Officer holding a Civil Office special leave of absence on private affairs. Provided however that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction, the Absentee if a Civil Servant shall for the period in excess draw no more than one-half of his Salary and Allowances, and if a Military Officer only so much of the Salary and Allowances of any Civil Office to which he may stand appointed as added to the Military Pay and Allowances which he may be entitled to draw shall equal one-half of his entire Military and Civil emoluments. After an absence of three months (exclusive of any period which may be granted under Sec. XI.) any Office held by the Absentee shall become vacant.

Sec. XIII. is rescinded.

Sec. XVIII. (Amended.) The sum of Company's Rupees 52,200 per annum, having been fixed under the orders of the Court of Directors as the Maximum Salary of Civil Office for the Offices of Government under the situation of Member of Council—Civil and Military Servants holding Office in the Political Department, who may draw larger Allowances than this annual sum as a consoli-

Note.—This rule will equally apply in case of a Political Resident taking a leave of one month for which in other cases he would suffer no deduction.—The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

this annual sum as a consolidated personal and sumptuary allowance in consideration of the necessary expences of their position, will in all cases of absence be treated in respect to deductions as drawing only the Allowance thus limited, and the excess above the monthly salary yielded by that annual sum, shall remain as a local addition to the usual Deputation Allowance to be drawn by the Officer

performing the duties to meet the necessary expenses of his position.

Note. — Military Deputation Allowances shall persons acting for other Military per- temporarily performing the

Office, will, as in the case of Staff, draw half the difference between the incumbent's Military Allowances and Cuil consolidated Salary as at present, that is, will the draw umount retrenched from the Absentee, but when acting for a Servant they Civil will draw at the rates and under the same rules as Civil Serrants.

holding Civil duties of an Office according to the following rates, and of Staff, draw subject to the limitations and the difference conditions hereinafter laid down.

To Civil Servants not holding any substantive Appointment.

At the rate of 25 per Cent. on the Monthly Salary of the appointment officiated in, such Deputation Allowance being in addition to the Subsistence Allowance of their respective ranks.

To Civil Servants holding an Office of inferior emolument when Officiating for a Superior.

At the rate of 10 per Cent. upon the monthly Salary of the appointment officiated in, in all cases in which the Salary of such appointment shall not exceed Co.'s Rs. 2,000 per mensem, and in respect to all appointments of which the Salary shall be more than Co.'s Rs. 2,000 per mensem, at the rate of 10 per Cent. upon Co.'s Rs. 2,000, and of 5 per Cent. on the amount in which the monthly Salary may exceed Co.'s Rs. 2,000: provided however that no lower rate of Deputation Allowance shall be given than 100 Rs. per mensem.

The Deputation Allowance shall in all cases be in addition to the Salary of the substantive appointment held by the Officer on deputation.

A Civil Servant acting for another shall have no claim to Commission or Fees, where any such sources of emolument exist. These shall be regarded as forming part of the income of the Officer to be relieved, subject to the prescribed deductions.

Sec. XXI. (Amended.) No Subordinate Officer acting for his Principal or for any other person holding a superior appointment in the same Office or Establishment, at the same Station, shall be entitled to any Deputation Allowance until after the expiration of one month, and then the Allowance is not to be drawn in arrear. But a Servant previously out of employment, or who may be deputed to act from a different Station, shall be entitled to Deputation Allowance from the date at which he may enter upon the discharge of the duties to which he has been temporarily appointed.

Sec. XXII. (Amended.) Civil Servants, if deputed to act at a distance from the stations where they are employed, or Military Officers holding Civil Office who may be so deputed, or who may be ordered by Government on Special duty, shall be permitted to draw travelling allowances at the rate sanctioned in the case of a first appointment.

Sec. XXIV. (Amended.) The Government of each Presidency may grant to Chaplains, and Assistant; Chaplains special leave of absence on private affairle, but if such absence shall exceed the period to which the Absences may be entitled under the following Rule, they shall for the period in excess be subjected to the deduction of one-half of their Allowances, and after an absence of four months, all Allowances shall be discontinued.

Sec. XXV. (Amended.) Leave of absence for one month in each year, under the principle sanctioned in Sec. XI. may be granted to Chaplains or Assistant Chaplains by the Bishop of the Diocese, or when the Diocese may be vacant (but not otherwise) by the Archdeacon or other Ecclesiastical functionary performing the duties of an Archdeacon or Commissary; and such leave being consistent with the rule will be recognized by the Civil Auditor after it has been published in the Government Gazette of the Presidence with the authority of Government. Information of very leave so granted by the Bishop or other Leclesiastic | Officer above mentioned, shall be immediately transmitted to the proper Secretary to Government for the purpose of notification in the Gazette.

Section XXVI, is rescinded.

Section XXVIII. (Amended.) The Mint Master, the Assay Master and Deputy or Assistant Assay Master of any Mint in India may obtain leave of absence under Sick Certificate, or on private affairs, subject to the conditions in the Rules forming Chapters I. to V. The Absentee if in the enjoyment of any Military pay or allowance shall, during his absence, be subject to the deductions prescribed in the case of Military Officers holding Civil employments. If not a Military Officer, the Absentee shall be subject to the same deductions as a Civil Servant under similar circumstances, but no Officer of the Mint or Assay Department can be permitted to draw any portion of Salary for a longer period than two years, if absent under Sick Certificate, nor for a longer period than four months if absent on private affairs.

The Rules published on the 29th of January 1840, not affected by the above alterations, remain in force.

GENERAL ORDERS BY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA.

AGRA, the 16th May, 1843.

The Governor General has directed the publication of the following letter from His Excellency the Governor of Sciude, with its several enclosures.

The Governor General has much satisfaction in making generally known the able dispositions made by Captain Thomas, of the 8th Bombay native infantry, for the defence of the entrenched camp during the battle near Hyderabad, on the 24th of March.

The Governor General has likewise much satisfaction in making known the names of the officers and men, who have been already reported as specially distinguished in the battle of Hyderabad. The reports from the remaining regiments will be published whenever they may be received.

By order of the Right Honorable the Governor General of India,

J. THOMASON,

Secy. to the Govt of India, with the Governor General.

From His Excellency the Governor of Scinde, To the Right Honorable the Governor-General.

Camp, Hyderabad, 17th April, 1843.

My LORD,

I have the honor to enclose to your Lordship, the reports made by officers commanding regiments, of remarkable actions performed by individuals under their command, in the battle fought on the 24th March.

Also the report of Captain Thomas, of the 8th N. I., of the preparations made by him for the defence of the entrenchments at the Residency, to attack which the enemy had detached five thousand men to Hooserie, a village hard by, but subsequently he recalled this force to his main body at Dubba. It is right that I should state how much importance attached to the defence of the entrenchments, which there was every reason to believe would be attacked, as also the town of Hyderabad. These two garrisons diminished my force by 1,079 men and two pieces of cannon, and I have to express my sense of the good arrangements and zeal of Major Reid and Captain Thomas, the officers whom (greatly against their own wishes) I ordered to remain in command of these two garrisons.

I have, &c.

(Signed) C. J. NAPIER, Governor.

The great pressure of business prevented my sooner having forwarded these reports.

From Captain A. THOMAS,

Commanding entrenched Camp,

To the Acting Assistant Adjutant General,

Scinde Field Force.

Camp, Hyderabad, 8th April, 1843.

SIR,

I have the honor to transmit for the information of Major General Sir Charles J. Napier. K. C. B., Governor of Scinde, that on the departure of the force on the morning of the 24th of March, my first care was to assign posts to the officers and men under my command, which was done in the following manner: To Lieutenant Steward, of the 16th grenadiers Bengal N. I., was confided the defence of the left flank of the breast-work; to Lieut. Bosanquet, of the same regiment, the right flank; and Lieutenant Pruen, Bombay artillery, and myself took charge of the front and reserve. The two guns left with me were most judiciously placed en barbette, by Lieutenant Pruen, so that in case of attack they would have swept the whole of the works in front, and one entire flank. Two parties of sepoys, consisting of fifty men each, were formed as a reserve and posted fifty paces on each side of the abattis, leading into the Residency compound. The remaining sepoys were placed round the works, at intervals of ten paces distant, in single files, supported by matchlockmen and dismounted horsemen belonging to Meer Ali Morad, under the command of Sirdar Ali Hussein. Each flank abutting on the Indus, was further protected by the Meteor and Nimrod, arined steamers, which effectually guarded against either of them being turned.

A reserve of fifty horse was posted in rear of the Residency compound equally distant from both flanks, and so as to be able to co-operate where most required. A similar reserve, and for a similar purpose, was posted in the centre of the front of the breast-work. The Khyheery horse were divided into two parties and placed one hundred paces in rear of each flank near the river, so that had either flank been turned these men would have been at hand to drive the enemy back without requiring any man behind the breast-work to leave his post.

Forty men of the Scinde horse under a jemadar, defended on foot that part of the breast-work helind which they had encamped.

After posting the men, and seeing that each knew his position so as to fall in his proper place at a moment's warning, half the men were told off as a working party to render the unfinished entrenchments as secure as the limited time allowed us would admit of. By the evening I considered we were perfectly secure, having placed abattis composed of babool trees, wherever we were unable to finish the trench.

Half the men during the day were always at their posts. At sunset every man fell in at his allotted station, and his arms, ammunition, &c., were carefully inspected. During the night sentries were placed at intervals of twenty yards, the entire round of the works the remaining men sleeping in their accourtements, with the arms loaded by them; the officers doing the same. Outlying picquets of horse were stationed two hundred and fifty yards outside the entrenchment on both flanks and front, who threw out videttes and patrolled at the distance of from one to two miles from the works, each patrol crossing the other every half hour, and a report hourly delivered during the night. These at sun-rise were withdrawn, and smaller parties of horse swept round the camp at four and five miles distance during the day.

These were the arrangements I deemed proper for the defence of the camp, the charge of which I had the honor to be entrusted with by the Major General and Governor in Scinde; and although no attack was made on the camp, still I hope I shall not be deemed presumptuous in declaring that from the zeal and alacrity displayed by both officers and men under my command, there was no fear that, although our numbers were small and the works extensive to defend, had we been attacked we would have endeavoured to emulate the gallant example set us by the troops under the Major General, more particularly after the reinforcement was received under Brevet Captain Unwin, artillery, consisting of forty European artillery men, and two 68-pounder howitzers.

On the morning of the 24th March, we were re-inforced by the Persian Prince Aga Khan, with twenty-five horsemen. He informed me that he had been driven out of Jarrick by three thousand Beloochees, with the loss on his side of one hundred killed and wounded in action, out of one hundred and thirty.

Only on one occasion did I hear of any Beloochees being within four miles of me, and then Sirdar Ah Hussein with eighty horse, was despatched just before daybreak to reconnoitre, with orders to sweep the country for seven or eight miles round. He returned at 10 A. M., and reported that no enemy was to be seen or heard of. This proved to be the case, and with the exception of detached parties on the other side of the river progressing towards the hills, nothing more was heard of the enemy.

On the arrival of the *Planet*, steamer, from Sukkur, Lieutenant McLeod of the 20th regiment N. I., volunteered his services, as also did Lieutenant Pottinger of the 15th regiment N. I., of which I gladly availed myself.

Sirder Ali Hussein co-aperated most zealously with me, as also did all his people. The Khyree chiefs and their men behaved also very well.

In conclusion, I beg to express my thanks for the assistance I received from the officers during the time I was in command of the entrenched camp.

SIR,

In obedience to Division Orders I have the honor to report, for the information of Major General Sir C J. Napier, K. C. B., Commanding in Sinde and Beloochistan, that I am unable to particularize any individual who prominently distinguished himself in action on the 24th instant. I trust, however, the Major General will not consider me presumptuous in bringing to his notice the steadiness of the regiment when under a very heavy fire close in front of the village on the enemy's right, and where we had the irreparable misfortune of losing a gallant and much esteemed officer, Captain Garrett. In the same place Lieutenant Snow had his horse and shoulder scales struck by matchlock bullets.

The enemy appearing to occupy the village in great force, I did not consider myself justified in leaving the left of our guns exposed, before the order reached me, "cavalry to the front," when I immediately advanced, and came round the village, passing in my way to the Fulaillee, three deep nullahs. We first advanced a short distance to the left, but seeing no enemy, returned, and then went off to the right, and followed up the enemy for about six miles, cutting up all we met, and brought in two camels. The ground was much intersected by numerous deep canals, and I am happy to state all the men behaved in a most soldier-like manner; were perfectly obedient to every word of command I gave, and moved steadily in line throughout the whole charge.

I have, &c.

Camp, near Allyar-ka-Tanda, 28th March, 1843.

SIR,

In compliance with Division Orders of the 26th instant, I have the honor to request you will bring to the notice of Major General Sir C. J. Napier, K. C. B, that the conduct of the Poona horse, under my command, on the 24th, in the action with the enemy was such, that it would be invidious in me to notice any of the numerous acts of gallantry performed by the sowars on that occasion. But when all behaved well, I cannot neglect to notice in particular the conduct of duffadar Ahmed Khan, who, throughout the action was ever foremost, and led on the men in a manner which elicited my warmest approbation. This man has already the 3d class Order of Merit, from his having, at the fight at Nufoosk, in the Murree Hills, saved (under much peril) his commanding officer's life. He, on the 24th, in my presence cut down three of the enemy, and also saved my life by sabreing the Beloochee, who wounded me in the sword-hand. I consider his conduct as well deserving the favorable notice of the Major General,

I have, &c.,

SIR,

In reference to Division Orders, calling for the names of officers, non-commissioned and privates, who distinguished themselves in the battle of the 24th instant, I have made every enquiry, and after due consideration, I have great difficulty in being able to make selections of particularly distinguished conduct, on an occasion when great gallantry and forwardness was conspicuous in the regiment. I hope, I am not doing injustice by mentioning the following names: Lieutenant Coote was the first to surmount the enemy's works, and whilst waving a Standard he captured, and giving assistance to a soldier to reach the crest of the breast-work, was severely wounded.

Corporal Timothy Kelly shot a man bearing a silver knobbed Standard, and captured it.

Private J. Doherty, Ditto C. Lynar, Ditto E. Tobin,

Ditto J. McCartin,

Ditto Thomas Walousley, Ditto G. Roberts,

Ditto E. Watson,

Ditto J. Oakley,

Each of these men shot the bearer, and captured a Standard.

With reference to Division Orders of the 26th instant, I do muself the honor to report, for the information of Major General Sir C. J. Napier, K. C. B., commanding the troops in Scinde and Beloochistan, that in the general engagement which took place on the 24th instant, Purgase Sing, jemadar of the light company, of the regiment under my command, whilst skirmining, accompanied by five sepoys of his own company, killed seven of the entire, one of them sup-

posed to be a chief, whom the jemadar slew in single combat, and captured his arms. Private Appojee Surosee, of the light company, killed one of the enemy's Standard bearers, capturing his Standard, pursued and killed another of the enemy, in whose possession was a sword belonging to the 3d regiment light cavalry, which he recovered. Private Rugonat Sing, of the 3d company bayonetted two of the enemy in presence of Captain Tait, commanding the Poona horse; he also bayonetted two of the enemy, and wounded a third, in presence of some of the Poona horse, which latter circumstance, the men belonging to that corps who witnessed the deeds, especially requested Captain Tait to bring to my notice. Major Waddington also was present.

SIR,

In obedience to Division Orders of yesterday's date, I beg to hand up the names of the undermentioned European commissioned, and non-commissioned officers and men, as follows:-

Came to the front to support me as I was leading the regiment over Lieutenant W. E. the centre ridge in the canal, which formed the enemy's position, and seeing Wilkinson, Adjutant, a man, who has, I believe, since been ascertained to be Meer Goolam Ali 21st N. I. Talpooree, coming at me, sword in hand, stepped in between and cut him down, in doing which he received a wound on the head, which cut through his pugree, and displaced the metal peak of a horse artillery helmet, and must have killed him, but for this defence, and he also got wounded in the sword-arm.

Naick Sew Umber Bhut, grenadier company.

Was wounded in four or five places, (I have no means of ascertaining more exactly, as the man was sent into Hyderabad so soon). Some of the wounds severe, but he would not leave the ranks, setting an example of fearlessness and devotion to his duty, which I hope, may be looked upon favorably. I have promised this man the first vacancy for the third stripe.

Severely wounded in the thigh, but would not leave the ranks, and while Private Oree Gu-I was requesting him to do so, seeing some heads over the bank, fired his piece, zuria, 4th compy. and continued loading and firing till the end of the engagement.

I beg to explain, that the nature of the duty entrusted to the 21st regiment, was such as in a great measure to preclade the possibility of any display of individual courage. The regiment was ordered to reserve its fire till within ten or fifteen paces of the enemy, and not a shot was fired till I gave the word, which I did not do till I got to within from ten to fifteen paces from the canal consequently the whole regiment was able to jump into it at almost the same moment, and advanced in the same order, as much as the nature of the position admitted, the most active getting up the centre ridge first. Officers not being encumbered with a musket and pouch, of course had the advantage; but I can safely say, that none were backward, and I consider it would be invidious to mention the name of any, whom chance, or a superior degree of bodily activity, had enabled to gain a position to which all appeared to aspire equally.

To prove that I was as well supported by my men as I could desire, I hope it may not be considered foreign to the subject to mention, that though attacked by several men, one after the other, I had not occasion once to act in my own defence.

I bave, &c.

SIR, In reference to Division Orders of the 26th instant, calling on commanding officers to forward a statement of acts of gallantry performed by any commissioned, non-commissioned officers, or men, in the action of the 24th instant, I do myself the honor to transmit the only letter on this subject, which I have received in the 2d brigade.

Ment I heg to be allowed to submit it to the Major General commanding. When this regiment reached the village, the firing of the enemy, though greatly lessened, was still kept up in a very

been loopholed, and the shots from it knocked over several sepoys. The building was entered by some of the men who were almost immediately driven out by the enemy. On seeing this, Ensign Nixon and Lieutenant Thomson, 25th regiment, instantly rushed into it, sword in hand, and attacked the enemy, eight in number. The former officer cut down three with his own hand, but while so engaged, his life was saved by the latter (Lieutenant Thomson) warding off cuts made at him. The sepoys having, in the mean time got in, disposed of the remaining five. In this affair subadar Russall Singh, a gallant old native officer, took a prominent part, and had his sword broken in giving point to one of the enemy, and color havildar Hoolass Singh, grenadier company, got a wound in the leg by a sword cut. In addition to these Lieutenant Thomson has mentioned to me, that havildar Ballik Ram Tewarree, 5th; naick Ram Sah Panday, 4th; private Pursaud Maray, 5th; and private Soomur Singh, 5th companies, particularly distinguished themselves by their courageous conduct on the occasion referred to, and all four were wounded in it.

3. In conclusion I can only state that, so far as came under my observation, every officer and man in the 2d brigade did his duty well and truly.

OVERLAND LETTERS AND POSTAGE.

T is hereby notified for general information-

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c. for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

ACT No. VI. OF 1843.

Passed by the Hon'ble the President of the Council of India in Council, on the 21st of April 1843, with the assent of the Right Hon'ble the Governor General of India.

An Act for amending the Law concerning the jurisdiction and procedure of the Courts of Ameens and Moonsiffs.

I.—In modification of Clause 4, Section 18, Regulation V. of 1831, Bengal Code, it is hereby enacted, that in the trial and decision of all original Suits referred to them by the Judge, the Principal Sudder Ameens shall be guided by the rules established for the conduct of business in the Courts of the Zillah and City Judges.

II.—And it is hereby enacted, that the provisions of Section 4, Act No. XXV. of 1837, in respect to appeals from decisions passed by Principal Sudder Ameens, in Suits of the nature specified therein, be extended to all interlocutory orders passed by those Officers in such Suits.

III.—And it is hereby enacted, that such parts of Regulation XXIII. 1814, as prohibit the Sudder Ameens, and Moonsiffs from requiring security from defendants; or from attaching their property in cases pending before them; or from realizing fines imposed by them without first obtaining the sanction of the Zillah Judge, be repealed.

IV.—And it is hereby enacted, that it shall be competent to the Sudder Ameens and Moonsiffs to demand security from the defendant, under the provisions of Sections 4 and 5, Regulation II. 1806, in cases pending before them; and also to proceed, without reference to the Zıllah Judge, to the realization of fines imposed by them, provided that all orders passed by the Sudder America and Moonsiffs under this Section, be subject to an appeal to the Zıllah Judge.

V.—And it is hereby enacted, in modification of Section 22, Regulation V. of 1831, that decrees passed in the Courts of the Judges or Principal Sudder Ameens, in cases of appeal from the decisions of the Sudder Ameens or Moonsiffs, shall be executed by the Courts in which the original decisions were passed, under the general rules prescribed for the execution of decrees passed by those Courts—applications for the execution of such decrees shall be presented, together with a certified copy of the decree of the Judge or Principal Sudder Ameen to the Court of original jurisdiction. In appeals from the orders of the Moonsiff or Sudder Ameen in such cases the decision of the Zillah or City Judge shall be final.

VI.—And it is hereby enacted, that Clause 2, Section 13, Regulation XXIII. 1814, and Clause 4, Section 5, Regulation V. 1831, be repealed.

VII.—And it is hereby enacted, that no person whatever shall, by reason of place of birth, or by reason of descent, be in any Civil proceeding whatever, exempted from the jurisdiction of the Courts of the Moonsiffs, in the Territories subject to the Presidency of Fort William in Bengal.

VIII.—And it is hereby enacted, that persons invested with the powers of Moonsiff shall be competent to receive, try, and determine suits of every description under the restrictions as to local jurnification and value of property mentioned in Clauses, 1, 2 and 3, Section 5, Regulation V. 1831. Provided, however, that no Moonsiff shall try any suit, in which he himself, or any of his relatives, or dependants, or any of the Vakeels or Officers of his Court shall be a party.

IX.—And it is hereby enacted, that in cases, where by reason of the above Section, a Moonsiff cannot try a suit because he himself, or any of his relatives, or dependants, or any of the Vakeels or Officers of his Court is a party to the suir, it shall nevertheless be competent to the Moonsiff to receive the suit, and forward it to the Judge of the Zillah to which he is subordinate, who may thereupon refer the same for trial and decision to any other Moonsiff of the District.

ACT No. VI. OF 1843.

Passed by the Hon'ble the President of the Council of India in Council, on the 21st of April 1843, with the assent of the Right Hon'ble the Governor General of India.

An Act for amending the Law concerning the jurisdiction and procedure of the Courts of Ameens and Moonsiffs.

I.—In modification of Clause 4, Section 18, Regulation V. of 1831, Bengal Code, it is hereby enacted, that in the trial and decision of all original Suits referred to them by the Judge, the Principal Sudder Ameens shall be guided by the rules established for the conduct of business in the Courts of the Zillah and City Judges.

II.—And it is hereby enacted, that the provisions of Section 4, Act No. XXV. of 1837, in respect to appeals from decisions passed by Principal Sudder Ameens, in Suits of the nature specified therein, be extended to all interlocutory orders passed by those Officers in such Suits.

III.—And it is hereby enacted, that such parts of Regulation XXIII. 1814, as prohibit the Sudder Ameens and Moonsiffs from requiring security from defendants; or from attaching their property in cases pending before them; or from realizing fines imposed by them without first obtaining the sanction of the Zillah Judge, be repealed.

IV.—And it is hereby enacted, that it shall be competent to the Sudder Ameens and Moonsiffs to demand security from the defendant, under the provisions of Sections 4 and 5, Regulation II. 1806, in cases pending before them; and also to proceed, without reference to the Zillah Judge, to the realisation of these imposed by them, provided that all orders passed by the Sudder Ameens and Moonsiffs under this Section, be subject to an appeal to the Zillah Judge.

V.—And it is hereby enacted, in modification of Section 22, Regulation V. of 1831, that decrees passed in the Courts of the Judges or Principal

Sudder Ameens, in cases of appeal from the decisions of the Sudder Ameens or Moonsiffs, shall be executed by the Courts in which the original decisions were passed, under the general rules prescribed for the execution of decrees passed by those Courts—applications for the execution of such decrees shall be presented, together with a certified copy, of the decree of the Judge or Principal Sudder Ameen to the Court of original jurisdiction. In appeals from the orders of the Moonsiff or Sudder Ameen in such cases the decision of the Zillah or City Judge shall be final.

VI.—And it is hereby enacted, that Clause 2, Section 13, Regulation XXIII. 1814, and Clause 4, Section 5, Regulation V. 1831, be repealed.

VII.—And it is hereby enacted, that no person whatever shall, by reason of place of birth, or by reason of descent, be in any Civil proceeding whatever, exempted from the jurisduction of the Courts of the Moonsiffs, in the Territories subject to the Presidency of Fort William in Bengal.

VIII.—And it is hereby enacted, that persons invested with the powers of Moonsiff shall be competent to receive, try, and determine suits of every description under the restrictions as to local jurisdiction and value of property mentioned in Clauses, 1, 2 and 3, Section 5, Regulation V. 1831. Provided, however, that no Moonsiff shall try any suit, in which he himself, or any of his relatives, or dependants, or any of the Vakeels or Officers of his Court shall be a party.

IX.—And it is hereby enacted, that in cases, where by reason of the above Section, a Moonsiff cannot try a suit because he himself, or any of his relatives, or dependants, or any of the Valcels or Officers of his Court is a party to the suit, it shall nevertheless be competent to the Moonsiff to receive the suit, and forward it to the Judge of the Zillah to which he is subordinate, who may thereupon refer the same for trial and decision to any other Moonsiff of the District.

An Act for amending the Law concerning the jurisdiction and projecture of the Courts of Ameens and Moonsiffs.

I.—In modification of Clause 4, Section 18, Regulation V. of 1831, Bengal Code, it is hereby enacted, that in the trial and decision of all original Suits referred to them by the Judge, the Principal Sudder Ameens shall be guided by the rules established for the conduct of business in the Courts of the Zillah and City Judges.

II.—And it is hereby enacted, that the provisions of Section 4, Act No. XXV. of 1837, in respect to appeals from decisions passed by Principal Sudder Ameens, in Suits of the nature specified therein, be extended to all interlocutory orders passed by those Officers in such Suits.

III.—And it is hereby enacted, that such parts of Regulation XXIII. 1814, as prohibit the Sudder Ameens and Moonsiffs from requiring security from defendants; or from attaching their property in cases pending before them; or from realizing fines imposed by them without first obtaining the sanction of the Zillah Judge, be repealed.

IV.—And it is hereby enacted, that it shall be competent to the Sudder Ameens and Moonsiffs to demand security from the defendant, under the provisions of Sections 4 and 5, Regulation II. 1806, in case pending before them; and also to proceed, without reference to the Zıllah Judge, to the realization of fines imposed by them, provided that all orders passed by the Sudder Ameens and Moonsiffs under this Section, be subject to an appeal to the Zillah Judge.

V.—And it is hereby enacted, in modification of Section 22, Regulation V. of 1831, that decrees passed in the Courts of the Judges or Principal Sudder Ameens, in cases of appeal from the decisions of the Sudder Ameens or Moonsiffs, shall be executed by the Courts in which the original decisions were passed, under the general rules prescribed for the execution of decrees passed by those Courts—applications for the execution of such decrees shall be presented, together with a certified copy of the decree of the Judge or Principal Sudder Ameen to the Court of original jurisdiction. In appeals from the orders of the Moonsiff or Sudder Ameen in such cases the decision of the Zillah or City Judge shall be final.
